

MY SMILE IS  
*Classic*

#MYSMILEISPOWERFUL

*Mike*, from the United States – a father, beekeeper and skier – smiles when he sees others succeed, especially his kids. Opalescence® PF take-home whitening in comfortable custom trays has flexible wear times so he can be there for his kids whenever they need a bright, encouraging smile. A bright smile will help your patients do their best too. That's the power of a smile.
